Wise Road to Temporarily Close in Lincoln

Lincoln – The California Department of Transportation (Caltrans) is alerting the public that beginning on Monday, September 21 and continuing through Friday, November 6, West Wise Road will be closed to through traffic between N. Dowd Road and Chamberlain Road, just west of State Highway Route 65.

From locations along existing State Highway 65, north and south of West Wise Road, the West Wise Road detour follows existing State Highway 65 to westbound 7th Street in Lincoln, proceeds north on H Street, continue west when H Street becomes Nicolaus Road, proceeds north on N. Dowd Road to end at the N. Dowd Road/West Wise Road intersection. Those directions can be reversed for eastbound West Wise Road traffic.

This detour is necessary to facilitate the construction of a concrete box culvert structure which will convey storm water across West Wise Road.

The work being done is part of a \$325 million project to create an 11.7 mile bypass around the City of Lincoln. Project completion is expected in 2012.

Unexpected weather may prolong or cause the work to be rescheduled. Roadside message boards will be used to post the latest information. Caltrans urges motorists to use caution and to "Slow for the Cone Zone".

SLOW FOR THE
CONE ZONE
